

Introducing the **2018**

# TRAVELLER

The Traveller is the ideal camper for couples and families who are looking for a no fuss camping holiday, or want to get away from it all. Light and compact to tow, easy to set up – and over 5 metres of living space! That means there's plenty of room to throw down an extra swag or set up some bunk beds. You can also choose between queen and twin beds.

The 2018 Traveller comes with light off-road capability as standard. Other new standard features include a drawbar upgrade, silent winch, 5-leaf shackle spring suspension, 15" wheels and a heavy-duty 80L water tank.
